"Student, family and community engagement is critical for our success"

thank you

Brockport's Best Awards presented at the December 17th Board Meeting:

Bookmobile– School Librarians Kathleen Jaccarino, Catherine Mangan, Jennifer Nather, Lisa Rice and Suzanne Shearman were recognized for their time and dedication to the Bookmobile. Books are delivered to students in several neighborhoods throughout the district, during summer vacations and other district activities. Thank you for making a positive impact on our community.

Kale Kakish– Second grade Barclay student made purple sparkly ornaments in memory of his teacher Carrie Ray, and gave them out to community members. Some gave him donations to assist with the supplies, and Kale gifted the extra donations to the Ray Family. This incredible act of kindness has helped heal the community, and for that we are sincerely grateful.

The Holiday spirit shined bright throughout the month of December!
Kudos to all involved, the Board of Education thoroughly enjoyed the performances held by each school.
