

BROCKPORT CENTRAL SCHOOL DISTRICT BOARD BULLETIN

FEBRUARY
2020

"Student, family and community engagement is critical for our success"

BHS STUDENTS TAKE THE LEAD

Seniors Laine Ramsay and Eliza Gonzalez presented "The Effects of Polystyrene on the Environment and Biological Organisms" to the Board of Education at the February 4th Board Meeting in an effort to decrease Styrofoam use at BCSD. This is an ongoing topic of interest with the Board of Education. President Carbone asks that students remain passionate and proactive, as this movement would require support on all ends of the spectrum throughout the district.

CAREER AND TECHNICAL EDUCATION

BOCES2 offers numerous programs through Career and Technical Education (CTE) to high school students who are interested in joining a career field immediately after high school. BHS Seniors shared their experiences and what they have gained from these programs at the February 4th Board Meeting. Gage Vogt spoke on the Welding Program, and Rachel Kovacs spoke about the Culinary Program.

CONGRATULATIONS

Ginther and Barclay Speech Language Teacher Amy Dunn received tenure and was recognized at the February 4th Board Meeting. The Board of Education thanks Ms. Dunn for all she does for our students.

45 YEARS OF SERVICE

The Board of Education, along with BCSD Athletic Director Todd Hagreen, presented a Brockport's Best Award to Scott Fake at the February 4th Board Meeting. Mr. Fake is retiring from his lifeguard position, as well as the Girls Varsity Swim Coach and Boys JV Swim Coach. He has been the face of the BCSD Swim Program since 1975. Thank you Mr. Fake for your positive impact on our district and community.
